Hot Water Music

Raise your voice in swells
Find your meanings, then
Use your signs inside
To relive, and live again

No point in holding back on what you're holding
No matter it be shit or it be golden
Foundations shift, instead of shifting
We set up, we set up our falls

Hold on tight to your fears
'Cos that's your hatred
And that's your love as well
Learn to use all your fears
As a fuel, as an engine
To get you where you need

I must always remember;
There's no point to surrender

No point in holding back on what you're holding
No matter it be shit or it be golden
Foundations shift, instead of shifting
We set up, we set up our falls

Hold on tight to your fears
'Cos that's your hatred
And that's your love as well
Learn to use all your fears
As a fuel, as an engine
To get you where you need

I must always remember;
There's no point to surrender
