

There's clouds and sunshine
Drawn out on a piece of printer paper
And we're gonna thank her
Cause this picture is worthy of the front of the refrigerator
A picture of a house
With a door, a window and a chimney
With five stick figures
Labeled: mommy, daddy, brother, sister and me
And it's so adorable
Cause
The artist is only six
And she spent her whole working on it
And to us, no, it's not perfect
But it's worth it
Cause to the artist
It's a work of art
And little girl
You're getting older now
And you look in the mirror
And you don't like that image
So you cover in cosmetics
And skip meal after meal to loose the shape
That your artist intended
But I'm here to tell you
You're?made? of god's image
And if that's not enough for you
Then what is?
Don't change the shape that the artist intended
To cater
Of some useless?pics?
Cause in the eyes of the one who made you
Babygirl you're perfect
You're perfect
You're
You're perfect
Don't change
The shape
Cause in the eyes of the one who matters
You're so perfect
