

Better Man

Hothouse Flowers

I'm not complicated and I hope that you understand
I'm not looking for something to do, I'm not looking
for a better plan
I'm just going to stay right here, I just want to be
where I am
'Cos everytime you call around to see me, I just feel
like a better man
So sister just you stay a while, you don't need to know
the time

Make me love in a better way, keep me smiling every day
Listen out to what I want to say
Baby you just make me feel like a better man

I carry your picture with me when I'm travelling on the
road
All the time I'm away from you baby
There's just one thing that I need to know
So sister won't you stay a while, you don't need to
know the time

Make me love in a better way, keep me smiling every day
Listen up to what I want to say
Baby you just make me feel like a better man

Make me love in a better way, keep me smiling every day
Listen up to what I want to say
Baby you just make me feel like a better man

I don't need no fancy house, to make me feel like I'm
doing alright
I don't need no bank account because money won't buy
the way
That I feel about you

Make me love in a better way, keep me smiling every day
Listen up to what I want to say
Baby you just make me feel like a better man
Make me love in a better way, keep me smiling every day
Listen up to what I want to say
Baby you just make me feel like a better man
