

## Give It Up

Hothouse Flowers

Well, I'm coming face to face with my conscience  
Coming to an understanding of myself  
Clear out all the old cobwebs  
Clear out all the old books from the shelf  
This song is inspired by a good man and his tune  
Thinking good of others sing 'Amazing Grace' to you  
It doesn't really matter if you're all jumbled up inside  
As long as you know that love is endless and the world is wide  
As long as you know  
Give it up  
Share it out  
Help, help who you can  
Talk about it  
It's late in the morning, close to the time  
And Mary's in the alley she never stops smiling  
Always love to see her she means a lot to me  
But I know she's got a hard time trying to make ends meet  
Give it up  
Share it out  
Help who you can  
Talk about it  
Down Georgia Street arcade where the poor children play  
Gathering up charity to help them make their day  
Well me, I was once their age, once I was young  
But I know, I had my family to fall back on  
Give it up  
Share it out, yeah  
Help who you can  
Talk about it  
Oh, give it up  
Share it out  
Help who you can  
Don't just talk about it  
Talk about it  
Help these child  
Help these child  
Give it up  
Share it out  
Help who you can  
Talk about it  
Give it up  
Share it out  
Help who you can  
Talk about it
