

## Deprave to Redeem

### Hour of Penance

Cancerous demise  
Indulging in the pleasures of the flesh  
The slavery of lust condemned men to feed the swarm of  
Christ  
Fornication denied - No reason, no god  
"The spirit indeed is willing but the flesh is weak"  
(Mark 14: 38)

Nailed upon the cross

What really lies beneath the shameful vest of the  
priest?  
What really lies beneath the sacred walls of god?

Impotent victims pay the price of your sins  
Violated souls that god will never redeem  
False light of faith that blinds humanity sight  
While you ask salvation by the dirty hands of your  
false god

Blessed criminal speak the words of god!  
Where does the divine justice of god lies  
If there's no god here to rule this corrupted world?

Swallowed into the pit  
Swallowed into the pit

Betrayed - Aroused - Mistreat - Abused  
Deceived - Seduced - Deprived  
The purity of your innocence is gone

Castrated - Defiled - Destroyed - Tortured  
Bleed out to death - Now pray  
The choosing of your punishment is done

Christ

Q: So the abuse and the molestation was almost  
a full time avocation during your entire priesthood?  
O'GRADY: I would say it was a significant part of the  
early priesthood  
Q: What else happened to you as a consequence of  
abusing?

O'GRADY: Actually nothing happened. Life continued.
