

# Incontrovertible Doctrines

## Hour of Penance

Walkin in the desert of shame  
Burnt by your guilty conscience  
I can see in your eyes the fear of  
Abandon from the one you adored  
Don't you fell the coming of pain?  
While slowly you go  
Into the decline of your life  
Your last breath is lost  
For praying a god that will not come

Lie human redemption is a  
Lie led on the people  
Lie human redemption is a  
Lie set for the feeblies

Left alone to carry this weight  
Crippled by your existence  
When your flesh is cold where is  
The savior for your resurrection?

No sense has your redemption!  
Betrayed from moment you were born!  
Your last gasp is lost for praying to  
Nothing! To Nothing! To lie...

Lie human redemption is  
Lie led on the people  
Lie human redemption is a  
Lie set for the feeblies

Fight!  
Against those who are inflicted on your pain!  
Against those who are stealing your life!  
Forget all the prayers!  
Left the certanties of lies to the weaks  
And  
Deny... Their biblical light

Look inside of your mind to find what  
You think it's right  
Convert all your fears in a concrete sight!  
Take back your existence!

Lie human redemption is a  
Lie led on the people  
Lie human redemption is a  
Lie set for the feeblies like you!
