

I Am A Symbol

House of Heroes

I am a symbol, I am a flame,
I object to the objective,
I won't play the game,
I am a symbol, I am a flame,
I'm resolved in my resistance,
A witness to your wrongs,
I am a symbol,
I am a flame.

One voice in the crowd is small,
But if he speaks the truth,
Then he speaks for all,
All of us.
One man they can grind to dust,
But if he dies for love,
Then he dies for us,
All of us,
So let my life be a song,
And may that song carry on.

I am a symbol, I am a flame,
I object to the objective,
I won't play the game,
I am a symbol, I am a flame,
I'm resolved in my resistance,
A witness to your wrongs,
I am a symbol,
I am a flame.

With one idea from the human mind,
Kingdoms come and kingdoms die,
Just one,
The first man through is an easy kill,
But no ones safe if we all stand still,
None of us,
So let my life be a song,
And may that song carry on.

I am a symbol, I am a flame,
I object to the objective,
I won't play the game,
I am a symbol, I am a flame,
I'm resolved in my resistance,
A witness to your wrongs,
I am a symbol,
I am a flame.

I will sing for truth,
I will sing for light,
When I'm gone the flame keeps burning on,
I will sing for hope,
I will sing for life,
When I'm gone the flame keeps burning,
I'll keep burning on.
