

# We Were Giants

## House of Heroes

I was counting on the chemicals  
I was waiting on a miracle  
Holding back what was inevitable  
Don't go, don't go

A ray of hope is never tangible  
Change is almost imperceptible  
A great wave that's immeasurable  
But I know, I know  
We were giants once

Hold on to me  
Hold on to us  
Hold on to me  
We were giants once

I still believe  
Hold on to us  
We can still be  
We were giants once

I remember how it used to be  
We had a confidence, a certainty  
Like we were in the graces permanently  
Is that so, is that so?

Like a belief that you never see  
Till you decide that it has to be  
That's the way it is with you and me  
And I know, I know  
We were giants once

Hold on to me  
Hold on to us  
Hold on to me  
We were giants once

I still believe  
Hold on to us  
We can still be  
We were giants once

Oh, don't let go, oh  
We were giants once

Oh, don't let go, oh  
We were giants once

I was counting on the chemicals  
I was waiting on a miracle  
Holding back what was inevitable  
Giants once

Hold on to me  
Hold on to us  
Hold on to me  
We were giants once

I still believe  
Hold on to us  
We can still be  
We were giants once

Hold on to me  
Hold on to us  
Hold on to me  
We were giants once

I still believe  
We can still be  
Hold on to us  
We were giants once
