

Can't Find My Way Home

House of Lords

Come down off your throne
And leave your body alone
Somebody must change

You are the reason
I've been waiting here so long
Somebody holds the key

But I'm near the end
And I just ain't got the time no
Well I'm wasted
And I can't find my way home

Come down on your own
And leave your body alone
Somebody must change

You are the reason
I've been waiting all these years
Somebody holds the key

But I'm near the end
And I just ain't got the time, no
Lord I'm wasted
And I can't find my way home

Can't find my way home
But I can't find my way home

Come down off your throne
And leave your body alone
Somebody will change

You are the reason
I've been waiting here so long
Somebody holds the key

But I'm near the end
And I just ain't got the time
And I'm wasted
And I can't find my way home

And I can't find my way home

Can't find my way home
Can't find my way home

Oh, oh can't find my way home
But I can't find my way home
But I can't find my way home
And I can't find my way home
