Can't Find My Way Home

House of Lords

Come down off your throne And leave your body alone Somebody must change

You are the reason I've been waiting here so long Somebody holds the key

But I'm near the end And I just ain't got the time no Well I'm wasted And I can't find my way home

Come down on your own And leave your body alone Somebody must change

You are the reason I've been waiting all these years Somebody holds the key

But I'm near the end And I just ain't got the time, no Lord I'm wasted And I can't find my way home

Can't find my way home But I can't find my way home

Come down off your throne And leave your body alone Somebody will change

You are the reason I've been waiting here so long Somebody holds the key

But I'm near the end And I just ain't got the time And I'm wasted And I can't find my way home

And I can't find my way home

Can't find my way home Can't find my way home

Oh, oh can't find my way home But I can't find my way home But I can't find my way home And I can't find my way home
