

# Spirit Of Love

House of Lords

Look at me  
What am I going through  
Lying in my bed  
Thinking of you

We talked about it  
Over and over  
You called me your friend  
And you cried on my shoulder

What will it take  
To make you mine tonight  
What will it take  
To make you open your eyes

Here I am  
What are you waiting for  
Take my hand  
Don't make me want you more  
Here I am  
What are you dreaming of  
Understand  
I'm sending you the spirit of love

So many men  
Have made you cry  
You gave it your best  
And you kissed them goodbye

But that was then  
And this is now  
If I had a chance  
I'd show you somehow

What will it take  
To make you mine tonight  
What will it take  
To make you open your eyes

Here I am  
What are you waiting for  
Take my hand  
Don't make me want you more  
Here I am  
What are you dreaming of  
Understand  
I'm sending you the spirit of love  
Oh

Just give me a sign, baby  
I'm lost without you near me  
I wanna love you  
Can't you hear me when I say

Here I am  
What are you waiting for  
Take my hand

Don't make me want you more  
Here I am  
What are you dreaming of  
Understand  
I'm sending you the spirit of love

(What are you waiting for)  
Take my hand  
Don't make me want you more  
Here I am  
What are you dreaming of  
Understand  
I'm sending you the spirit of love  
Oh

I'm sending you the spirit of love  
Baby, why can't you see

I'm sending you the spirit of love  
Can't you hear, baby  
Sending you the spirit  
I'm sending you the spirit of love
