

# The Next Time I Hold You

House of Lords

The next time I see you again  
I know it's gonna be in my memories  
And the next time I touch you, my friend  
I know it's gonna be just a fantasy

But I meer wanna leave you  
I'm forver gonna need you, girl  
'Cause finally I know, yes I know

And I can see you are my destiny  
Baby hold on for me  
I'm coming, coming

The next time I hold you  
Gonna hold you forever, oh  
And the next time I hold you  
Gonna hold true forever, oh  
And I won't let go

If I ever could find a way  
I'd give up everything just to see your smile  
But they say at the end of the day  
That nothin' ever lasts till the end of time

But I never could forget you  
And I'm never gonna let you go  
'Cause finally I know, yes I know

And I can see you are my destiny  
Baby hold on for me, I'm coming  
Coming home

The next time I hold you  
Gonna hold you forever, oh  
And the next time I hold you  
Gonna hold true forever, oh  
And I won't let go

If I could just hold you  
I would hold you forever

And if I could touch you  
I would keep us together  
So the next time I hold you  
Gonna hold true forever, oh  
And I won't let go, oh  
No, I won't let go
