Put Your Head Out

House of Pain

I rip shit like a bow when I flow When I score points with the joints that I throw Cause I flow deadly I'm no punk see I break backs, make tracks and get funky There's now where to run to cause nobody cares MC's drop to your knees, say your prayers The luck of the Irish is about to kick in Prepare to die and notify your next of kin I'm goin' all out, buck, duck and call out That's how I'm livin, punk you better call out This is the House of Pain To come inside is insane

Blessed with the gift, and gifts with the rhyme I never say quit when I'm out to get mine It's live and let die, sit back and get high Smokin' a fat blunt, waitin' for some punk To act up like he's got somethin' in him Then I grab the mike and start spittin' out venom Coughin' up headstones, blowin' out headphones Steppin' to me, you'll wind up in the Dead Zone It's nothin' personal, that's how it goes, G Step up with beef, and you'll wind up losin' teeth Cause I don't give up the mike that easy Step back, this ain't government cheese, G You can stand in line, but you ain't gettin' it Talk all the shit you want, but I ain't sweatin' it
