

Chorus

Housse de Racket

Will you join us in the chorus?

Nous sommes reunis
Sans peurs et dans le bruit
L'orgue joue pour toi
Demain tu partiras

It's musical
It's natural
Electrical
It's chemical
And critical The very last call

Can you hear it?
Can you hear it, it's calling
Can you hear it?
Tomorrow you'll be gone

Can you hear it?
Can you hear it, it's calling
Can you hear it?
Tomorrow you'll be gone

L'orgue joue pour toi
Est-ce que tu t'en souviendras?

It's musical
It's natural
Electrical
It's chemical
Electrical
It's chemical
And critical The very last call

Can you hear it?
Can you hear it, it's calling
Can you hear it?
Tomorrow you'll be gone

Can you hear it?
Can you hear it, it's calling
Can you hear it?
Tomorrow you'll be gone

Can you hear it?
Can you hear it, it's calling
Can you hear it?
Tomorrow you'll be gone

Will you join us in the chorus?
Will you join us in the chorus?
Will you join us in the chorus?
Will you join us in the chorus?
Will you join us in the chorus?
Will you join us in the chorus?
