

Empire

Housse de Racket

They are all around
Closer than you think
They want to bite
They want you to sink

They wanna dance
They wanna drink
It does make sense
Only if you're in

Empire

No more friendship
Like wolf and sheep
Fangs in my mouth
Racket in the house

Vampire

They are all around
Closer than you think
They want to bite
They want you to sink

Desire

Empire
