

# The Temptress Tales

Howards Alias

Patience, one and the same as understanding,  
My reasons, my beliefs,  
But I cannot have myself seen with my guard down by you.

Suffer the consequence now you have  
Sown these seeds of destruction,  
And I will not have you dictate to me what I will do.

So take this face off, I might trust you,  
And act according to your heart,  
So this may be the last time that you see me,  
So just play your part.

Watch, this recent edition's a prequel,  
You are talking to me  
Like we are not equals and I want you to not be around.

Now you're thinking that I am so down,  
You're wasting your time  
Because I'll always act like there is nothing that you can do.

So take this face off, I might trust you,  
And act according to your heart,  
So this may be the last time that you see me,  
So just play your part.

So take this face off, I might trust you,  
And act according to your heart,  
So this may be the last time that you see me,  
So just play your part.
