```
You know I can be a good man
You know I can fulfill your wildest dreams (yeah yeah)
You know I can make a new plan
It will only be about you and me
In this life I want to make it right
You are the reason why
I'm giving my heart and soul to you
Girl I put it all on you
100 kisses girl straight to your heart
100 ways to show you that I need you
100 reasons why we'll never be apart
100 ways to say that I love you
I'm giving you 100
I hope that's enough
I'll never give any less
Girl you're worth that much
1- 1- 100
I won't mess it up
Cause when love is in the air
I'll take you there
100 girl, girl, girl, girl, girl, girl
100 girl, girl, girl, girl, girl, girl
Baby I don't have a secret
It's just all comes together when it's true
I get more than what is needed
Cause you deserve the best that I give to you
In this life I want to make it right
You are the reason why
I'm giving my heart and soul to you
Girl I put it all on you
100 kisses girl straight to your heart
100 ways to show you that I need you
100 reasons why we'll never be apart
100 ways to say that I love you
I'm giving you 100
I hope that's enough
I'll never give any less
Girl you're worth that much
1- 1- 100
I won't mess it up
Cause when love is in the air
I'll take you there
Gotta tell you that I will never let you down
You can put your trust in me
Baby I'll always be around
100 kisses girl straight to your heart
100 ways to show you I need you
100 reasons why we'll never be apart
100 ways to say that I love you
I'm giving you 100
I hope that's enough
