

## Way To Your Heart

Howie D

Please don't fade away  
Just say my name and  
I will run and find you  
Stop  
I'm on my way  
It's pouring rain and  
I can't seem to hear you  
What are you waiting for  
What are you waiting for  
I need you right beside me

When I'm all out of faith  
When I'm all out of hope  
Draw those circles on Tell me what you're waiting for  
Cause the closer I get  
The far away you apart  
Can't see in the dark  
Show me what's the way to your heart  
Show me what's the way to your heart  
Ohhhh  
Tell me what you're waiting for

I ran for many miles  
I've stayed a while and  
hoping that I'll find you  
Lost  
and falling hard  
Tell where you are  
Oh, can you help me get through

What are you waiting for  
What are you waiting for  
I need your help to guide me

Can you open the door  
Show me how to get home  
I'm stuck  
Searching for your heart on my own  
Help me find it  
And show me

Tell me what are you waiting for  
Tell me what are you waiting for  
Tell me what are you waiting for...
