Howie Day

Crushed in the arms...
Crushed in the arms of a bear.
Crushed in the arms...
Crushed in the arms of a bear.
In my strain...
In my strain...
In my strain...
In my strain...

Now I could never fall in love.
And feeling such a thrill
Why don't you anger me, anger me, I will.
Oh... Why don't you anger me?
Anger me I will.
Oh Why don't you anger me?
(crushed in the arms)

Now I could never fall in love. (i strain)
And feeling such a person. (in my strain)
And feeling such a person
Anger me. You anger me.
Strangle me. You strangle me.
Strangle me... and I strain...

And I strain... (of a bear)
And I strain... (crushed in the arms)
And I strain... (of a bear)
And I strain... (crushed in the arms)
And I strain...

Why don't you just go...
Why don't you just go...
Why don't you just go...

Strangle me... Strangle me...
Oh I strain...
Strangle me... Strangle me...
Oh I strain...
Strangle me... Strangle me...
Why don't you just..
Strangle me... Strangle me...

(Bunnies is a constantly evolving ambient song molded from Howie's Line 6 pedal. Many different versions of this song exist including different sets of lyrics.)
