

## bunnies

Howie Day

Crushed in the arms...  
Crushed in the arms of a bear.  
Crushed in the arms...  
Crushed in the arms of a bear.  
In my strain...  
In my strain...  
In my strain...  
In my strain...

Now I could never fall in love.  
And feeling such a thrill  
Why don't you anger me, anger me, I will.  
Oh... Why don't you anger me?  
Anger me I will.  
Oh Why don't you anger me?  
(crushed in the arms)

Now I could never fall in love. (i strain)  
And feeling such a person. (in my strain)  
And feeling such a person  
Anger me. You anger me.  
Strangle me. You strangle me.  
Strangle me... and I strain...

And I strain... (of a bear)  
And I strain... (crushed in the arms)  
And I strain... (of a bear)  
And I strain... (crushed in the arms)  
And I strain...

Why don't you just go...  
Why don't you just go...  
Why don't you just go...

Strangle me... Strangle me...  
Oh I strain...  
Strangle me... Strangle me...  
Oh I strain...  
Strangle me... Strangle me...  
Why don't you just..  
Strangle me... Strangle me...

(Bunnies is a constantely evolving ambient song molded from Howie's Line 6 pedal. Many different versions of this song exist including different sets of lyrics.)
