

# Perfect Time of Day

Howie Day

[Verse 1:]

It's the perfect time of day  
It's the last day of your life  
Don't let it drift away  
While your heart is still racing  
It's the perfect time of day

[Chorus:]

And you wont feel a thing  
And you wont recall anything at all

[Verse 2:]

Close your eyes and take your last breath  
Press your head aside, the end is the beginning  
Everyone between is so lost, so lost.

[Chorus]

[Bridge:]

Let your colors collide  
The time is so right  
I keep running behind  
But I know your meaning  
You love to fall  
(...)  
The perfect time of day

[Chorus]

[Outro:]

Wooooo it's the perfect time of day  
Come on now  
It's the perfect time of day  
it's the perfect time with you
