All that you wanted to say I'll never come here again All that I wanted to say All gone

Springtime is always in hand Almost as if you were there Making a hole under me again Hold on

Cause I couldn't make up
A thing that you say, love
There's trouble in here
Hold on
Thing that I fear

Take all the love outta me So I'd never see it again Lost, where are we On our plane Ah, yes

Cause I couldn't make up
A thing that you say, love
There's trouble in here
Hold on
Thing that I fear

Cause I couldn't make up
A thing that you say, love
There's trouble in here
Hold on
A thing that I share
Hold on
There's trouble in here
Thing that I fear, yeah
