

## Beach Sluts

Howler

I don't even try any  
more, cause i'm afraid and i'm too shy,  
I feel just like a ghost, haunting houses, riding on the other  
coast.

I feel the same as i did last night,  
Lost all my sense, but i'll be alright,  
Well i feel the same as i used to feel,  
She's stole my soul now it's plain to see.  
That i'm so lonely, i can't wait for anyone else,  
And i'm so lazy, i won't believe in anything else.

But i don't wanna waste your time,  
Feeling like i did last night,  
Drinking in the afternoon,  
No i don't want to waste your time.
