

Second Best

Hudson Taylor

All the people all around us,
Talking to and all about us,
It's the same,
It will go away.

Are you trying to be helpful?
Are you sleeping in the devil's company?
Possibly

Don't wake me up, I'm not sleeping,
I'm not asking for any rest.
And as long as I am breathing,
I won't settle for second best.

We can teach ourselves the lessons,
And we can change it any second of the day.
We used to say.

Oh, are you trying to be helpful?
Are you sleeping in the devil's company?
Possibly?

Don't wake me up, I'm not sleeping,
I'm not asking for any rest.
And as long as I am breathing,
I won't settle for second best.

Love the life, that we don't have,
I wouldn't change a thing.
Not much, but we don't mind,
I wouldn't change a thing.

Love the life, that we don't have,
I wouldn't change at all.
Not much but we don't mind,
I wouldn't change it all.

Don't wake me up, I'm not sleeping,
I'm not asking for any rest.
And as long as I am breathing,
I won't settle for second best.

Don't wake me up, I'm not sleeping,
I'm not asking for any rest.
And as long as I am breathing,
I won't settle for second best.

I'm not asking for any rest.
