

## Chartered Trips

Hüsker Dü

I picked up my belongings in a nylon carry-all  
I hear the porter call  
Said "The sky's the limit on this chartered trip away,"  
I guess I'd better stay

Out there on the desert, I see trees on every wall  
Nothing's ever solved  
Said "The sky's the limit on this chartered trip away,"  
Guess I'd better stay away

I thought I owed myself a trip away  
I wanted to go to places I have never been away  
I looked at the pictures, imagine where they lay  
Away on a beach by the sand, where their clothes all lay away

Horizon is oblivious, chartered trip away  
Said "There's no returning from this chartered trip away."
