

# Green Eyes

Hüsker Dü

It's a great big world  
There's a million other guys  
I feel so lucky when I look  
In those green eyes

Is it the sun  
That makes them so green  
Those are the prettiest eyes  
I have ever seen

Green eyes...

What makes them sparkle  
What makes them shine  
What makes those eyes of yours  
Look into mine
