

## Makes No Sense at All

Hüsker Dü

Walking around with your head in the clouds  
Makes no sense at all  
Sell yourself short, but you're walking so tall  
Makes no sense at all  
Is it important? You're yelling so loud  
Makes no sense at all  
Walking around with your head in the clouds  
Makes no sense at all  
Makes no difference at all

I don't know why you want to tell me  
When I'm right or when you're wrong  
It's the same thing, in your mind, the only time  
I'm right is when I play along

You concern yourself with evidence  
It's evident to me  
Well you say you've got the tiger by the tail  
But I don't see these things that way
