

Bobo Tempo

Huey Lewis & The News

All surfers say, over the hills away
(you have to go over Mt. Tamalpais to get there)

Hey, Bobo Tempo
Hey.... Hey! Bobo Tempo

Noses they are peeling, the minds they are reeling
Hey.....

No, I ain't joking, the best SH%# they are smoking
Hey.....

Strange cosmic forces, naked girls on horses
Hey.....

Living life so highly, hanging out at Smiley's
(the local watering hole) (bar)
