

# Do You Love Me, Or What?

Huey Lewis & The News

I don't care if you go out dancin'  
freakin' like a fool  
pretending that you're on the scene  
I don't care what you're wearin'  
but its so tiny, baby makes me want to scream  
I don't need a little time to be on my own  
Don't need a crowded house with nobody home  
The world's too tough to face alone

So do you love me or what?  
Do you love me or what?  
You're just breakin' me up  
Do you love me or what?

I don't need my record collection  
No house in Hollywood  
to put my system in  
I don't need just another possession  
'cause what I'm looking for is loyal through thick in thin  
Don't need a ring, shiny thing cause that's no proof  
What you feel is much more real, that's the truth  
That's why I'm standin' here asking you

Do you love me or what?  
Do you love me or what?  
You're just breakin' me up  
Do you love me or what?
