

Don't Let the Green Grass Fool You

Huey Lewis & The News

Girl, try to remember when we didn't have no shoes
We stuck together, just me and you
It took a long time to get what we got today
Now you wanna give it all up for another guy

Baby, I'm tellin' you
Don't let the green grass fool ya
Don't let it change your mind

It's gonna be hard for me, baby
To get my life on over
Baby, you got the loving I really need

And if you leave me, baby, this way, baby
You know what? I may not live to see a brand new day
Ooh, baby

Don't let the green grass fool ya
Don't let it change your mind
It may be greener on the other side, baby
But right in my arms is where you belong, ooh baby

I'm tellin' you
Don't let the green grass fool ya
Don't let it change your mind
It may be greener on the other side, baby
Oh, right in my arms is where you belong

Don't let the green grass fool ya
Don't let it change your mind
It may be greener on the other side, baby
