

# Don't Let the Green Grass Fool You

Huey Lewis & The News

Girl, try to remember when we didn't have no shoes  
We stuck together, just me and you  
It took a long time to get what we got today  
Now you wanna give it all up for another guy

Baby, I'm tellin' you  
Don't let the green grass fool ya  
Don't let it change your mind

It's gonna be hard for me, baby  
To get my life on over  
Baby, you got the loving I really need

And if you leave me, baby, this way, baby  
You know what? I may not live to see a brand new day  
Ooh, baby

Don't let the green grass fool ya  
Don't let it change your mind  
It may be greener on the other side, baby  
But right in my arms is where you belong, ooh baby

I'm tellin' you  
Don't let the green grass fool ya  
Don't let it change your mind  
It may be greener on the other side, baby  
Oh, right in my arms is where you belong

Don't let the green grass fool ya  
Don't let it change your mind  
It may be greener on the other side, baby
