

# Give Me the Keys (And I'll Drive You Crazy)

Huey Lewis & The News

I can see you've got your motor running  
Don't you think you're movin kinda slow  
If you feel the way I feel  
Let me get behind the wheel  
We don't need any destination baby  
Anywhere you want to go

Give me the keys, and I'll drive you crazy  
Give me the keys, I'll drive you out of your mind

Honey we don't need no registration  
We don't need no license anymore  
Let me in the driver's side  
And we can take a ride  
We don't need to ask directions baby  
I know where you want to go

Give me the keys, and I'll drive you crazy  
Give me the keys, I'll drive you out of your mind  
Give me the keys, and I'll drive you crazy  
Give me the keys, I'll drive you out of your mind

Maybe we'll just ride into the sunset  
Drive around 'til who knows where or when  
And when it gets a little dark  
We'll find a quiet place to park  
And when the sun comes up in the morning baby  
Do it all over again
