

# I'm Not in Love Yet

Huey Lewis & The News

It hasn't been long - but it hasn't been bad  
And you may be the very best thing -- I've ever had  
But you want to know -- 'cause you're making plans  
Well I'll make you a promise I'll keep  
I'll do the best that I can

I'm not in love yet, but I'm workin' on it  
It might take some time  
It ain't easy to do if it's gonna be true  
I'm not in love yet, oh but I'm workin' on it

There you go again - tryin' to pin me down  
Isn't it enough for me to say - I love having you around  
Why do we always have to talk about the way that we feel  
Baby, all the conversation in the world  
Won't make it more real

I'm not in love yet, but I'm workin' on it  
It might take some time  
It ain't easy to do if it's gonna be true  
I'm not in love yet, oh but I'm workin' on it

I hear you say - you need some kind of proof  
Well it may not be what you want to her  
But I'm telling you the truth  
Why do we always have to wonder what the future will bring  
Baby all I know is how I feel now  
But time can change everything

I'm not in love yet, but I'm workin' on it  
It might take some time  
It ain't easy to do if it's gonna be true  
I'm not in love yet, oh but I'm workin' on it  
It might take some time  
It ain't easy to do if it's gonna be true  
I'm not in love yet, oh but I'm workin' on it
