

# I Want To (Do Everything for You)

Huey Lewis & The News

I want to hold you in my arms  
Till you say, "Turn me loose"  
I want to do little things for you  
Till you say, "It ain't no use"

I want to wake you every morning  
With a good morning kiss  
I want to kiss you to sleep the same way  
'Cause I, I know you like this

I want to do everything for you  
'Cause that's all that man can do  
When he loves a woman like I love you  
And I love you, I love you, I love you  
Ooo, eee, I love you

I want to say sweet things to you  
Till you say, "I said enough"  
I want to stand right by your side  
When the goin' gets tough

I want to mend your broken heart  
Till you say, "The hurt is gone"  
I want to stay with you always  
So that you won't be alone

I want to do everything for you  
'Cause that's all that man can do  
When he loves a woman like I love you  
And I love you, I love you, I love you  
Ooo, eee, I love you

Do everything  
I'll do everything

I want to work for you every day  
Till you say, "Come home and rest"  
I want to buy you pretty things  
So you can look your best

I want to take you everywhere  
So the world can see what I got  
I want to give you tender love  
Till you say, I've got to stop

I want to do everything for you  
'Cause that's all that man can do  
When he loves a woman like I love you  
And I love you, I love you, oh, I love you  
Oh, I love you, yes, I love you, oh, I love you, oh, I love you  
I love you, baby, I'll do everything, baby

I love you
