If You Gotta Make a Fool of Somebody

Huey Lewis & The News

If you got to make a fool of somebody
If you got to make a fool of someone
Do you really want to hurt me
When I'm the one that worries
About you

Daytime
Nitetime
Anytime at all
I'll rush to your side
Anytime you call
Just to be near you
You know
That anywhere I'll go
How could you hurt me so

If you got to make a fool of somebody
If you got to make a fool of someone
If you got to make a fool of somebody
If you got to make a fool of someone
Do you really want to hurt me
When I'm the one that worries
About you
