

It's Alright

Huey Lewis & The News

Oooo, yeah, yeah
They say it's alright
They say it's alright
Say it's alright
Have a good time
'Cause it's alright
Whoa it's alright

Now we gonna move it slow
When the lights are low
When you move it slow
It feels like more
'Cause it's alright
Whoa it's alright

Now listen to the beat
And kinda tap your feet, yeah
You got soul
Everybody knows that it's alright
Whoa it's alright

When you wake up early in the morning
Feeling sad like so many of us do
Hum a little soul
And make life your goal
And surely something's gotta come to you

And you gotta say it's alright
Say it's alright
Say it's alright
Have a good time
'Cause it's alright
Whoa it's alright

Everybody clap your hands
And give yourself a chance
And you got soul
Everybody knows
That it's alright
Whoa it's alright

Someday I'll find me a woman
Who will love me and treat me real nice
When my woe's got to go
My love she will know from morning, noon, and in the night

And she's gotta say
That it's alright
Say it's alright
Say it's alright, have a good time
'Cause it's alright
Whoa it's alright

Everybody clap your hands
And give yourself a chance
You got soul
Everybody knows

That it's alright
Whoa it's alright

You got soul
Everybody knows
That it's alright
Whoa it's alright
