Jacob's Ladder

Huey Lewis & The News

I met a fan dancer Down in Southside Birmingham She was running from a fat man Selling salvation in his hand

Now he's trying to save me When I'm doing all right The best that I can

Just another fallen angel Trying to get through the night

Step by step, one by one Higher and higher Step by step, rung by rung Climbing Jacob's ladder

Coming over the airwaves
The man says I'm overdue
Sing along, send some money
Join the chosen few, hey

Mister, I'm not in a hurry And I don't want to be like you All I want from tomorrow Is to get it better than today

Step by step, one by one Higher and higher Step by step, rung by rung Climbing Jacob's ladder

All I want from tomorrow Is to get it better than today

Step by step, one by one Higher and higher Step by step, rung by rung Climbing and climbing

Step by step, one by one
Step by step, rung by rung
Step by step
And step by step
Step by step
