

# Just One More Day

Huey Lewis & The News

I've been missing you for so many days now  
I keep wanting you, love, in so many ways now  
I cant get you off of my mind  
But true love is so hard to find

I want yet another day  
Ooh, I need another day  
Darling, can I have another day?  
And I can be anything that you want me to be now

The sweet things you used to do for me  
Some kind words, Lord, you used to say them to me now  
I can't forget those lovely days

But this is the price I'm about to pay  
If you let me have just one good day  
Ooh, I want another day  
Ooh, I need just one more day  
And I will do anything that you want me to do now

I will do anything that you want me to do now  
Say anything that you want me to say  
Buy you anything you want me to buy  
And I will cherish you till the day I die

If you let me have another day  
Ooh, I want this one more day  
Ooh, I need one more day

And it can be anything that you want it to be now  
Oh, I want just one more day  
And then another day, yeah

Oh, I want one more day  
And then another day  
And then another day, yeah

I'll make everyday like it's the last day  
And then I want another day  
And just another day, yeah

I want all the days  
'Cause I love you and I need you  
And I want you by my side
