

# Just the One (I've Been Looking For)

Huey Lewis & The News

I've been looking for a long time  
To find someone to be mine  
I never thought, you'd come along  
But now that you're here, all my worries are gone

Sweet you, sweet you  
All of my dreams have all come true  
You're just the one I've been looking for  
You're just the one I've been looking for

I didn't know how long it would take  
But good things come to those who wait  
I can't ask for anything more  
You're everything I've been looking for

Sweet you, sweet you  
Nobody, nobody else will do  
You're just the one I've been looking for, baby  
You're just the one I've been looking for

Nights were dark, the days got longer  
My mind was weak but my heart stayed strong  
And you came along and rescued me  
But please don't you ever, set me free, oh, no, no

Sweet you, sweet you  
All my dreams have all come true  
You're just the one I've been looking for, darling  
You're just the one I've been looking for

I don't look  
(You're the one)  
All day Monday  
(You're the one)  
I didn't find you  
(You're the one)

Searching all day Tuesday  
(Just the one)  
I didn't find you  
(You're the one)

Early Wednesday morning  
(You're the one)  
I finally found you  
(You're the one)  
And when I found you  
Put my arms around you

(You're the one, you're the one)  
I'm so glad that I found you  
(You're the one, just the one)  
Just the one I've been looking for

(You're the one, you're the one)  
I'm so glad that I found you  
(You're the one, just the one)

Just the one that I've been looking for  
(You're the one)
