

Little Sally Walker

Huey Lewis & The News

Little Sally Walker
Sittin' in a saucer
Ride, Sally, ride
Wipe your weepin' eyes

Put your hands on your hips
Let your back bone slip
I want you to

Shake it to the East
Shake it to the West
Shake it to the very one
That you love the best

Little Sally Walker
Tell me what you're gonna do
Little Sally Walker
I'm in love with you

Little Sally Walker
I see ya sittin' in your saucer
Rise and do the jerk
I love to see you work

Little Sally Walker
Tell me what you gonna do
Little Sally Walker
I'm in love with you

Put your hands on your hips
Aah, got it
Let your back bone slip
Back bone slip now

Shake it to the East
Shake, shake, shake
Shake, shake, shake, shake it
Shake it to the West
Shake, shake, shake
Shake, shake, shake, shake it

Shake it to the very one
That you love the best
Come on, now

Little Sally Walker
(Oh, shake it, Sally)
Shake it, Sally Walker
(Oh, shake it, Sally)
Shake, shake, Sally Walker
(Oh, shake it)

Little, Sally Walker
(Oh, shake it)
Shake it, Sally Walker
Shake, shake, Sally Walker
(Oh, shake it, Sally)

Little Sally Walker
(Oh, shake it, Sally)
Shake it, Sally Walker
