

Surely I Love You

Huey Lewis & The News

Surely, surely, surely, surely,
surely, surely, surely, surely,
I, I, I, I,
I, I, I, I,
love ov, lo lo, love ov, lo lo, love ov, lolo love you

Come rain, come snow
come, come sunshine
your love will stop the rain
it will melt the snow
'cause you're mine
all I find to say
when I feel this way
is just I...I
love you, love you, love you

I love you because
darling, you're for real
you showed this heart of mine
how a real true lovin' ought to feel

Surely, surely, surely, surely,
surely, surely, surely, surely,
I, I, I, I,
I, I, I, I,

I love you because
honey, you're for real
you showed this aching heart
how a real true lovin' ought to feel

[Chorus]
