

# Pop, Lock, And Drop It (Remix)

Huey

Aye, it`s so beautiful when a plan comes together  
It`s your boy Mims hits  
You already know what this is  
H-U-E-Y (ree-mix)  
Bow Weezy  
T-Pain  
Hits committed

It's H-U-E-Y, home fly G five  
And by the look in my eyes she has nice thighs  
What her mama done gave her then grew from no good to major  
My pockets full of paper, born as a Missouri stater  
Mami gon take it low if you can then touch your toes  
You and your partna them, you can get dollas then  
Trickin aint in my blood, but I`ma make it rain on`em  
Too rich for dolla bills, I consider that as change  
25`s on my range, I know that that`s a odd number  
The way you tootin that thang can make the guys wonder  
What`s underneathe or even if it's real  
I`m hoping she a freak cause I ain`t tryna chill  
I`m tryna get it poppin, wit a shortie like mine  
That's willing to drop it low enough to blow my mind  
It`s HUEZ and Bow Weezy  
Let`s see if she can get lower than before on the remix

Toot that thang up mamii make it roll  
once you pop, pop lock it for me girl get low  
if yo mama gave it to you, baby girl let it show  
once you pop lock drop it for me maybe we can roll (oh)

Pop lock and drop it (8x)

Damn lil mama I`m sayin  
Uh, all that in them jeans woo  
Aye, aye, let me holla at chu for a minute  
Hey what it is they call me Bow Wizzle  
Now pop lock and drop for me, make that thang jiggle  
She moves her hips just like Shakira  
If she was in a contest she would be the winner (yep)  
From Ohio all the way to St. Louis, hey all the girls do it just put your ba  
ck into it  
Now shake what she gave ya, I`m talking bout ya mama  
If you wont do it for me then do it for these dollas  
Cause I`ma make it rain, these otha dudes is lame  
They talk a good game, but they can`t do the same  
Now drop it up and down, now take it to the ground  
If you wanna please me baby all you gotta do is  
Pop, Lock, and Drop It  
But baby don`t stop it, and do it like Chris Brown girl get it poppin  
Man I`m a pro, look I`m far from a rookie  
Girl get your pretty self over here gimme them cookies

Toot that thang up mamii make it roll  
once you pop, pop lock it for me girl get low  
if yo mama gave it to you, baby girl let it show  
once you pop lock drop it for me maybe we can roll (oh)
