

# After You've Gone

Hugh Laurie

Now listen, honey, while I say  
How could you tell me that you gone away?  
Don't you say that we must part  
While you won't break my aching heart?

You know I loved you true for many years  
Loved you night and day  
How can you leave me?  
Can't you see my tears,  
And listen at me while I say?

After you've gone  
Left me crying  
After you've gone  
Ain't no deny

You feel blue  
You gon' feel sad  
You'll miss the best lovin' you ever had

And there come a time  
Don't you forget it  
There come a time  
When you'll regret it

Someday when you grow lonely  
Your heart gon' break like mine  
You gon' want me only  
After you've gone  
After you've gone away

After you've gone  
After we break up  
After you've gone  
You sure gon' wake up  
You gon' find that  
You were blind  
To let somebody come around and change your mind

After the years we've been together  
Through dawn and tears  
All kind of weather

Someday, blue and down-hearted  
You wanna be with me  
Right back where you started  
After you've gone  
After you've gone away  
Yeah  
After you've gone  
After you've gone away
