

Winin' Boy Blues

Hugh Laurie

I'm the whining boy, don't deny my name
I'm the whining boy, don't deny my name,
Deny my name
Whining boy, don't deny my name
Pick it up and shake it, like Steve and Jane
I'm the whining boy, don't deny my name

Mama, mama, come here look at sis'
Mama, mama, come here look at sis'
Oh, mama, mama, won't you look at sis'
She's out on the levee doin' the double twist
I'm the whining boy, don't deny my name

Yes, I'm the whining boy, don't deny my name
I'm still the whining boy, don't deny my name,
Deny my name, oh
Whining boy, don't deny my name
Pick it up and shake it, like Steve and Jane
I'm the whining boy, don't deny my name
I'm the whining boy, don't deny my name
