

Pinch & Roll

Hum

So you think I've come alive, got my head out on the outside.
Yeah, I've worn you like a brick, yeah, now I'm sick.
I move in time, I hear your face, it's all over the place.
And everything I sing and do, fuck you.

I hear you've got a brand new beau, I hear he's lovely, white as snow.
He moves in time, he moves real nice,
I swear to God that's my advice,
It really makes the world unstick, yeah.
Mama taught me how to dance and pray, and I said okay.
Then, you made me feel like I was dead, maybe it's just in my head.

If I could live I'd be the one, I would live and toll on,
Yeah I would never kiss your ass, I don't know where it's at.
The complete derelicts in my life, I'm being really nice.
I've gone blind, I'm losing teeth,
I can't believe I'm a dirty old man
Who pissed on himself punching at a clock,
Screaming at the world I've healed.
Yeah I've healed.
Yeah I've healed.
Yeah, healed.
Yeah.
Yeah.
Yeah.
