

## Pinch & Roll

Hum

So you think I've come alive, got my head out on the outside.  
Yeah, I've worn you like a brick, yeah, now I'm sick.  
I move in time, I hear your face, it's all over the place.  
And everything I sing and do, fuck you.

I hear you've got a brand new beau, I hear he's lovely, white a  
s snow.  
He moves in time, he moves real nice,  
I swear to God that's my advice,  
It really makes the world unstick, yeah.  
Mama taught me how to dance and pray, and I said okay.  
Then, you made me feel like I was dead, maybe it's just in my h  
ead.

If I could live I'd be the one, I would live and toll on,  
Yeah I would never kiss your ass, I don't know where it's at.  
The complete derelicts in my life, I'm being really nice.  
I've gone blind, I'm loosing teeth,  
I can't believe I'm a dirty old man  
Who pissed on himself punching at a clock,  
Screaming at the world I've healed.  
Yeah I've healed.  
Yeah I've healed.  
Yeah, healed.  
Yeah.  
Yeah.  
Yeah.
