

# Be There With You

## Human Nature

I never cared for simple words of tenderness  
I never thought my life could be as sweet as this  
But now I know  
I want to spend it all with you, baby  
I drive my car  
And think about you constantly  
I lie awake  
And I want to feel you next to me  
What can I do?  
My life's only complete with you, baby

You are the one I treasure  
A part of me forever

And I'll be there with you  
Whatever you do  
With all of my heart I promise you  
I'll be there with you  
Just know that it's true  
With all of my heart I'm there for you  
Wherever you go I'll be there  
Whatever we're up against  
Just know that I'll be there with you

You're like the sun that brightens up the darkest skies  
The only one I'm seeing when I close my eyes  
Oh can't you see, you'll never be alone again, baby  
Don't you know

You are the one I treasure  
A part of me forever

And I'll be there with you  
Whatever you do  
With all of my heart I promise you  
I'll be there with you  
Just know that it's true  
With all of my heart I'm there for you  
Wherever you go I'll be there  
Whatever we're up against  
Just know that I'll be there with you

You're like the sunshine I've waited to see  
A beautiful moment always with me  
I've waited a lifetime only to be, be with you

And I'll be there with you  
Whatever you do  
With all of my heart I promise you  
I'll be there with you  
Just know that it's true  
With all of my heart I'm there for you  
Wherever you go I'll be there  
Whatever we're up against  
Just know that I'll be there with you
