

# When You Say You Love Me

Human Nature

I've been watching you from afar  
And the way you make your way round the bar  
You laugh like you're really entertained  
And you smile like it's your favourite game

Now you move in closer to me  
And our eyes are connected emotionally  
Not lookin' for a one night stand  
Or a place for a broken heart to mend

I know everybody here wants to hold you  
I know what it's like 'cause I feel the same  
When you look in my eyes  
There's a part of me that's still afraid

When you say you love me - do you mean it?  
Baby when you hold me do you feel it?  
Should I believe the magic in your eyes?  
I'll be waiting till the end of time  
To hear you say you love me like you mean it  
Baby when you hold me, make me feel it  
All I wanna do is make you mine  
I been hurt way too many times

They say if you wanna make god laugh  
Then all you gotta do is tell him your plans  
I know that the timings not right  
Didn't know I would meet you tonight

It's not that I don't really like the attention  
Cause I feel like the only man in the room  
Are you really sincere?  
Is it just something that you do?

When you say you love me - do you mean it?  
Baby when you hold me do you feel it?  
Should I believe the magic in your eyes?  
I'll be waiting till the end of time  
To hear you say you love me like you mean it  
Baby when you hold me, make me feel it  
All I wanna do is make you mine  
I been hurt way too many times

Again and again and again  
I've been hurt my friend to the end  
Though I high I been low  
I got no place left to go  
Again and again and again  
when will this searching end

When you say you love me - do you mean it?  
Baby when you hold me do you feel it?  
Should I believe the magic in your eyes?  
I'll be waiting till the end of time  
To hear you say you love me like you mean it  
Baby when you hold me, make me feel it  
All I wanna do is make you mine

I been hurt way too many times
