

## Drowned

### Human Waste Project

As i fell thru  
Thru the hold  
Everything grew wider  
And stranger as  
As I fell thru  
Thru the hold and everything was  
I can't find up  
I can't find anything  
I felt your hand  
As i fell  
Thru the hold and  
Everything  
Grew darker and  
Then stranger  
I knew I was  
Never coming back  
I can't find up  
I can't find up  
I can't find anything  
I can't die in water  
This sharp stinging world  
And my screaming delight  
Birth of the day  
And the end of the night  
I am waiting for the bottom  
That never comes  
I am waiting for the bottom  
That never comes  
I'm waiting I'm waiting  
I'm waiting I'm waiting  
I'm waiting I'm waiting  
I'm waiting I'm waiting  
I'm waiting  
I can't find up  
I can't find up  
I can't find anything  
I can't die in water  
I can't find up  
I can't find up  
I can't find anything  
I can't die in water
