

Intoxicated

Humanwine

They're moving all around what's your delight?
You're facing the ground Creature of night
Chasing them down with your own eyes
She's falling off her stool
uh-oh

See saw see saw sit intoxicated

They're moving all around what's your delight?
You're facing the ground creature of night
Chasing them down with your own eyes
Give my place here to you
not a chance

See Saw See Saw Sit intoxicated

They're moving all around what's your delight?
You're facing the ground creature of night
Chasing them down with your own eyes
cradled in siren's call
uh-oh

See Saw See Saw Sit intoxicated
last call
one more
See Saw See Saw Sit intoxicated
